"3rd eye of Mayhem" - Jerico

Are these "human rights" in the room with us right now?

Professional pessimist. Reactionary socialist and gamer liberationist. Coffee addict. Fun at parties

Freedom is when people agree with you, and the more people you can force to act like they agree the freer society is

You are the trolley problem's conductor. You could stop the train in time but you do not. Nobody knows you're part of the equation. You satisfy your bloodlust and get away with it every time
