If it was from their request, no punishment. If it was against their wishes, then they will be fined \$500 for disrespecting the dead.

Why did you let it get stolen? Why did you steal? Who cares. Fight to the death for the horse. If you forfeit you automatically lose the horse. If the one who forfeits is the thief, they get the magic equivalent of an ankle monitor because they suck and are too much of a scaredy cat to keep stealing.

Depends on how you plead in court. If you say you're innocent, you'll get sent to the electric chair. If you do plead guilty, however, you'd get life in prison, with no parole.

Restitution equal to 3x the value of the rocketship.

Repeat offenders get blasted into space in the rocket ship they stole in addition to the restitution.
