Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Raekwon ft. Cappadonna, Ghostface Killah & Method Man - Ice Cream
*"Watch these rap ni**as get all up in your guts
French-vanilla, butter-pecan, chocolate-deluxe
Even caramel sundaes is getting touched
And scooped in my ice cream truck, who tears it up"*

finally realizes the meaning of the lyrics
