Being a government member in an GP-relevant region makes you more relevant than 99% of Europe, according to a certain Vampire King. I'd give them a fairly well known, they aren't particularly active on the forums but perhaps their name has been spoken out of it sometimes. You and I are both part of the Sanctioned by the MGC gang, lol.

8/10. You are everywhere. But the constant changing of your flag makes recognition difficult at first glance.
