Now, I'd say quite a few people remember them after they came back, so maybe a 3.5/10. But I expect that to only grow as they're very recognisable, and maybe soon go back to what it was in January, a 9/10.

6/10. I see for the first time, quite a lot of activity on the forum.

Edited: I will increase the rating, since there is more activity on the forum as well as popularity.

6.5/10, one of F7ers older regulars, it has been so long Archona.

Not a lot of people remember them, but many of the older actives do, they were quite an active part of F7 last year.

Quite well known, I remember seeing them a lot before my period of inactivity. 7-8/10

/ninja'd

Well, I can say the same for ANs main nation, I remember seeing them quite a lot, so 7-8/10 if I can count their main nation

The **People's Republic of Hussija** stands as a united **Hussite socialist** country in Central America.

The **Party for Socialism and Salvation** leads this Christian workers' state since 1975.

Having been around a while, with a distinct flag and... *memorable* name, I's say a solid 8/10, easy.

Edit: Really, double ninja'd!? You've apparently come back from a hiatus (allegedly), so probably 6/10.

I certainly recognise such a distinctive name, but I wouldn't imagine such a recent nation, still flying the default flag has managed to become particularly famed yet. 3/10

Daughter nation of [The Unified Provinces of Rhanukhan](#), originally created during the course of roleplay events back in 2008. The accounts relating to it in Rhanukhan's own factbooks are deliberately vague as the people of Rhanukhan are unaware of many details regarding the island. As such I've established it as a separate nation in order to provide greater insight through its own factbooks.
