everyone knows that quote, "I know not what weapons World War Three will be fought, but World War Four will be fought with sticks and stones," but in a way it's optimistic and inspiring because it suggests that even after destroying civilization and returning to the stone age we'll still be sufficiently globalized and bellicose to have another world war right then and there

There's songs and bands within extreme metal for anyone. Once a person begins to listen to too much extreme metal, they become desensitised to "normal" music. □

I will never! I will always like anything and everything!

And I doubt there's extreme metal for my Grandma □
