Depends- while stealing from your usual museum would warrant one up to two years of forced labor or five years of imprisonment, stealing from the Crown directly (or even worse- stealing extremely sensitive objects like Crown Jewels or the Kerberos Device) would warrant one's disappearance really fast.

Becoming a vampire is not a crime. Violating bodily donation ethics law is punishable by up to five years imprisonment and compensatory fines.

Not illegal but extremely unwise regardless; Zerotoxians hate anything to do with authority or law enforcement, and are quick to resort to violence to get their point across.

Depending on the figure either 250 years in prison sped up to 25 mins or death. Death without appeal if the figure was a high ranking bureaucrat (we take our bureaucracy very seriously here)

Severe and intentional disruption of public transport
