Their current ruler is notable for a series of "revenge genocides" against what seem to be haphazardly-chosen non-Jewish societal groups. Although genocide might not be entirely accurate, considering the fact that some of them were carried out based on wealth and social status rather than specific ethnicity.

Drakul follow many of the traditional vampire stereotypes, including the necessity to feed on human blood (though in this case, this is achieved via the use of a proboscis-esque appendage), an adverse reaction to sunlight (in this case, specific bands of ultraviolet light) and an aversion to silver (motivated by their unique pathogeno-symbiotic physiology, alongside the antiseptic properties of the metal).

If you mean the "access logged" messages, then yes. Because it's an official governmental database. This isn't really a widespread thing outside of that.

Nuevo Tenóchtitlan is the capital of the United Mexican Soviets (not to be confused with the federal capital, Fort Zapata), and is the largest city in North America. It was "Mexico City" prior to the restoration of its pre-colonial name. Important landmarks include a monumental column to honor Mexico's independence from Spain, a cathedral which is home to an independent Catholic Church, and the first skyscraper successfully built to withstand earthquakes. The inhabitants are proud of the city's Aztec heritage.

They are the only country in the western hemisphere to have Islam as it's largest religion at 43% of it's population. Behind that, they have Christianity at 32% with 20% of it's adherents belonging to the Orthodox faith as opposed to Catholicism.

Founded in 2014 by Laurence Oller, the Church of Clear Hope has been a center for rehabilitation and unlocking one's path to the future for over a billion people worldwide through a process known as "Clarology". In other terms, the process of Clarology offers a precise path leading to a complete and certain understanding of one's true spiritual nature and one's relationship to self, family, groups, Mankind, all life forms, the material universe, the spiritual universe and the Supreme Being.
