The British Empire reforms into the Imperial Federation and founds a global community of nations. Essentially, an EU-like UN dominated by the British Empire.

My IC Character likes to collect titles, especially from foreign nations, if you would like to grant me one, you may do so here: [viewtopic.php?](#)

Titles will be granted in return and your involvement is greatly appreciated,
Thanks and may God bless you!

Only some NS Stats are canon for my nation, so better to assume they aren't
rather than they are, thanks! :)

Somewhat Germanic, kind of hard to say anything else though.

~ The Stalwart Federation of Antarctic Municipalities. ~

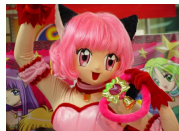

A concoction of bureaucratic complexity, frigid weather, and occasional disasters. Managed by an Administrative Governorship and an unstable Representative Council.

Current Year: 2022 AD.

*This nation does not represent my Political or personal views, not entirely. It does, however, use **most NS stats**. Normal canon also assumes a mostly-normal Earth.*

Take everything said on this account with a grain of salt, most of it is uninformed. Also never happy with anything, constantly reworking and reformatting.

Typical activity times go from 7-9 AM to 10-12 PM MST (UTC-7). If you want me to react to you, please be aware of this timing. Proud Member of The Pacific.
