Monkey 1740's hand was chopped up into a dozen pieces by a ceiling fan with very sharp blades. The monkey fell to its death off the Empire State building, armless, but one at least.

monkey 1738 exploded violently infront of 1737

Shinjou declares it's now a people's 4th reich. The navy reports strange sights in the sea, possibly eisterian vessels. a new terrorist movement has been terrorising southern paxana and other smaller countries. The LNS callhiem has been ordered to attack any vessels coming into libertalonia waters

Why yes, we are infact a free democratic nation that tries to protect others and have more flaws than united st- can we just please have your Oil and gold already?

Monkey 1734 is tortured by a guillotine, and has infinite lives, so it is always dying.

Named after cannons, Cannonio has a long history. You should like the detail put into it.
