Sometimes I wonder whether I should actually go through the trouble to get a degree when nigh-complete automation will most likely make me redundant anyway.

I'm an autistic, college-aged, white Anglo atheist who's politically confused and enjoys traveling but is too poor to go overseas. Grr.

I RP as the Holy Catholic State of Portugal.

This nation is an original work of fiction, as are all names, characters and events depicted therein. The views expressed by my characters do not represent my actual views. Any similarity with real persons, living or deceased, is entirely coincidental.
