Noooo, that's Sigh's worst album. The only one I dislike by them.

I just clicked on a random song to see what they were like...pretty strange

And only one out of 9 albums?

Well, of the ones I've heard. All of their albums have a slightly different feel to them. Hangman's Hymn is too cartoony and carnival-esque for me. I prefer their darker, more experimental albums.

Dissection - Night's Blood
My favorite song ever. Happy 50th scrobble.

Carnival music type of stuff usually annoys me. The same with cartoony stuff. But sometimes it works for me. Like the rare occasion Secret Chiefs 3 incorporates that.

The Sugarcubes-Fucking In Rhythm and Sorrow

Nice song name...

My favorite song ever is far from 50th ☐

With good luck it'll hit 10 today. Simply because my phone has only 5 songs in it so far, gonna add a LOT more once I get the new memory card. It'll happen soon enough so I just have those 5 songs there.

My highest scrobbled song is only at 14. I think it's Tennis Court by Lorde...

Strange that a pop/hip-hop song, stuff I don't usually listen to, still manages to end up being my most Scrobbled song.

Deftones "Change (In the House of Flies)" is 2nd, and "Shatter" by Triptykon is 3rd, apparently.

.....Birthday by The Sugarcubes is at 6...this week.

If I'm listening to one song repeatedly, I don't usually let it scrobble repeatedly, because I restart it quick enough...So I clicked on that song 6 different times? ☐

Still probably my favorite song by the band, so...

Yes - I'm Running

Interesting, I loved Shoot High Aim Low in Last.fm but when I checked it in Media Player, it was only 4/5. Bumped to 5/5.
