Red Lake does not necessarily represent my personal views. I promise I'll make a tech factbook eventually. NS stats didn't respect the wildlife and got mauled. Language is Gothic.

I don't really care I'm some nearly 26 year old enby dipshit named Viola who lives in South Florida, big whoop. There's like 6 million people who live in this metropolitan area the chances of someone finding me is slim to none.

I have my age, gender and country which I feel is fairly safe. Not even a real name. Now to be fair, much more than that and yes I'd be getting into potential trouble territory.
