It's a nice flag, reminds me of Albania

Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)

When you see the flag of **Norse Inuit Union**, I think you know EXACTLY what you're getting!  
It couldn't be much clearer, to be honest... Plus, the flag's also unique for it's colours. It's not often you see black and dark reds solely on flags ( Yes I know, Albania exists but I think that's the outlier? ), though I guess it's not much of a surprise considering that NIUs flag is not really any sort of standard flag to begin with!
