Conflict

- Snowland / the Snowish Republic -

Snowland, officially the Snowish Republic, is a country located in Northern Europe. Snowland runs on ~~democratic socialism~~ potentially the DOTP, unsure if that terminology is right. I'm not sure what I'll do with the Snowish Republic yet. Snowland is one of the nations of the world where there are both humans and anthropomorphic animals, and the nation is considered to be the best in the world when it comes to treatment of anthropomorphic animals.
