Roomful of Blues - *Turn It On, Turn It Up*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Ambrose Bierce

I have had the refrain of a song stuck in my head for about 6 months, and I don't know which song it is. I don't know the lyrics either; they are not enunciated enough for me to look them up (for that reason, I have had to play the bit of the song I know out on my keyboard). But I am fairly sure the line that begins on the and of 4 of the second measure (the first three notes I play in this recording are pickups into the first measure, for clarification) is, "for the summer".

The song is one I am certain I have heard many times before and, with the best of my abilities of remembrance, I will say that I heard it a lot between the middle of 2015 and the middle of 2017, although it may have a later origin point (possibly 2016). The refrain of is sung by many singers, both male and female, and I am pretty sure the lead vocalist is a baritone-voiced male.

I have asked dozens of friends and family members and come up short and am starting to believe that the song in my head may be an example of the Mandela effect.

Nationstates: What song is this?

<https://drive.google.com/file/d/1KtyrIC...sp=sharing>

It does sound familiar, but I have no clue.

B.b. king. -- dr. John
Is you is or is you ain't my baby.

<https://www.hvst.com/posts/the-clash-of-...-s-wl2TQBpY>

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.

--H. Kissenger

I forgot that Dr John and BB King did a joint version of that song.
