Sorry but all you got is me! ...wait where are you all going-

Libriano I summon thee...thy...thou...

Oh, wowee, I have a signature now! I dunno what to put in here...

So, any pronouns are fine by me. I am NOT taking this game seriously, so don't expect me to. If you're rude I'm probably gonna hold a grudge, it's a habit. If you like the flag, please read my Flag Credits Factbook. Otherwise, have an amazing day!

P.S. If I'm on an F7 thread, then don't make a comment on my flag. People who did it before I put this in the signature are in the clear, but as I said, someone else made this flag, and it has no real reasoning to my real life character.
