Dystopian, a flag that I feel I would be concerned about if seen flowing in the wild. Might be the colour scheme, or the ornate seal and stars adorning the banner with details.

Correct me if I'm wrong though.

No, you are right about almost everything. It fits with how militaristic my nation is though I'm not as dystopian as one might think.

2/10 looks kinda peaceful, to be honest. (Nice pun, by the way)

I don't know how to write interesting characters, and my storytelling is lousy. Beware!

Welp...

Considering the very questionable shiz the Russian Empire did, and that ANs flag is giving me Russian Empire vibes.

Probably like, a 8/10, no?

Not really planning to use this nation for F7 posting and RP, I just did a small makeover for its new role.

EDIT:  
Sorry AN, I got ninja'd. You get a 3/10. Not really that scary either!
