This is what I do when I go through anything. Right now, I'm going through the Mass Effect soundtracks.

These soundtracks aren't even my favorite soundtracks. They're good, but not my favorites.

A bunch of birds (mainly honeyeaters) outside.

Sebtopiaris is a culturally and ethnically Mediterranean, single-party democratic socialist state in the New Warsaw Pact with a population of 39 million Sebtopiarists. Sebtopiaris and its IC actions do not represent my personal beliefs, and Sebtopiaris's overview page does not represent much at all.

Yeah...

This song has a cool guitar solo

This singer reminded me of Ozzy Osbourne before, and now he is making me think of Mike Patton
