My country may seem memey at times, and that's fine. I like a mix of fun and serious. I also have to work with a nation I made when I was in *fourth grade*.

Fun, casual, nonsensical

funnee joke - will update once in a while

more useless info

how do you make these go to the right lol

Ittonia, an island at the northernmost of the north sea experiencing great history, and culture

From the Prussian colonization era to the discovery of Haeven (Now dying) This nation developed itself and doesn't hesitate continuing! Now, we're trying to do our best in this great world. (Even though it doesn't always work out, LOL)

So now, we honorably sign this post in the name of our nation: The Republic of Ittonia
