Man feels sad because his raise was denied and he can't afford the rent.

Esportivan and Proud.

However, Man has netherite tools and mines out the blocks obstructing the cave. He then sets up a mob farm and uses the gunpowder from creepers to craft his own TNT. He renovates [Nono germani user]'s house, but puts a massive troll feature in it: the walls

are 3 blocks thick and the middle layer of the wall is TNT! [Nono germani user] steps on a pressure plate and his entire house is reduced to nothing except for the enchanting table. Using the XP gained from this kill, Man levels up to 11.

Meanwhile, Erin has been mining this entire time, and she levels up at the same moment.
