Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

It's cheery. ^_^

Just came across this one:
Cumha an Oileáin- Emma Ní Fhíoruisce

It's so beautiful.

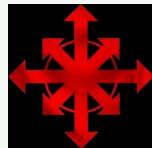

Love Emma's singing, and Cumha an Oileáin is one of my favourite songs. Here's a double bill of her singing that plus her Irish-language cover of some Guns 'n' Roses at the 2014 Fleadh Cheoil na hÉireann.

<https://www.youtube.com/watch?v=mvh5Gbx6nf0>

Her voice is soothing and lovely.

*Counting the days, wasting away
Can't wait to get the fuck out of this place
It's been so long, where do I turn?
The choice is slim, I refuse to fucking drown*

*Drown!
Set myself free
Gotta break these chains, it's time to leave
Too much! Of this living hell
Can I make a change, only time will tell
I dream! Of serenity, a peaceful place is where I need to be
Instead! I'm left in the dark
All alone, no place to tuuurrrn*

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.
