From the Prussian colonization era to the discovery of Haeven (Now dying) This nation developed itself and doesn't hesitate continuing! Now, we're trying to do our best in this great world. (Even though it doesn't always work out, LOL)

So now, we honorably sign this post in the name of our nation: The Republic of Ittonia

The flag just about sums it up really. Anarcho-Altruistic Queer Posadist Posthumanism with secular Daoist characteristics, or just **Posadism-Communalism**.

One of the many Bookchin-Posadist puppets of Comrade Leo.

Let's just have a laugh and a good time, despite the circumstances. After all, this is an internet forum.

My country may seem memey at times, and that's fine. I like a mix of fun and serious. I also have to work with a nation I made when I was in *fourth grade*.

Fun, casual, nonsensical
