Quel est la réalité? Mon souffle, tellement mécanique!

A grey rain falls on Revachol. The city soaks in it, cold and dripping. Waves hit the concrete breakers. The homeless huddle by the fires behind the fences. There, among the shacks, is your home. Stay. Have a drink. This is somewhere to be. This is all you have, but it's still something. Streets and sodium lights. The sky, the world. You're still alive.

This is the same angry Peruvian who passionately hates Chile, a **National Motto** certain **Stella Nera**. NS Stats were tried for treason against humanity and executed.

Officially known as the "**Unified Resistance of Tesseris**"

Those who commit treason against humanity must be re-educated where they can and punished where they must. Humanity shines brighter than anything else, for it and only **Humanity** was created in the **Image of God**.
