It wasn't suited to the forum it was posted in. The NationStates subfolder, where you posted, is for roleplay between nations, this particular thread (in F7) is for random snippets from users. Your post would be better suited for the Factbooks subfolder, which is at the top of the page, but I would suggest asking a question in the new player thread before you do. Cheers to the flag design, but neither of these folders are best for it. It may seem a bit strict, but NS forums each have their own uses to maintain their own rules, and a bit of effort put into a post may cause other users look at it better.
