Triptykon-My Pain

One of my favorite Triptykon songs (and one of the only ones I knew previously), and it isn't even really metal.

[Birdy-Just A Game](#)

I don't know where I am  
I don't know this place.  
Don't recognize anybody.  
Just the same old empty face.  
See these people they lie  
And I don't know what to value anymore~

Zu-Tom Araya is our Elvis

Jazz avant-garde experimental metal!

Or something like that.

Edit: Apparently all my supposed jazz bands I need to go through also fit into the avant-garde category
