Maybe. I'd want the Civil Rights score to go up a bit, but it looks livable.

No, there's very little to go off of for starters and you never want to move somewhere without knowing your rights first.

Very large modern island nation in the South Pacific. Ruled by a compassionate yet slightly-unhinged king, with a very isolationist yet empathetic populace. Notable characteristics: terrifyingly mighty air force and navy, world famous cars, legendary blend of wildlife.

Yes, I used to be a very immature person. That was years ago. I'm trying to be better now.
