Reva, how does it feel in LA?

It's cold. Yeah, go and laugh at the Angeleno telling you it's cold in Southern California, but I'm serious, LA cold is not equivalent to cold elsewhere. i'd know. i'm northern Chinese.

Quel est la réalité? Mon souffle, tellement mécanique!

A grey rain falls on Revachol. The city soaks in it, cold and dripping. Waves hit the concrete breakers. The homeless huddle by the fires behind the fences. There, among the shacks, is your home. Stay. Have a drink. This is somewhere to be. This is all you have, but it's still something. Streets and sodium lights. The sky, the world. You're still alive.
