Pre-French revolution France

From Greek ancestry Orthodox Christian

We owe our existence to Christianity and Islam. Had those two religions never taken off, different people would have bred with our ancestors, and other humans would have existed in our place

□PRACHKZKAYA HOME PAGE□

Prachkzkaya is a Anarcho-Communist nation that is divided into 5 territories, Endgrada, Latvyau, Kronoscau, Cnacao, and Hajfjelldan. I don't use NS stats because I don't want to be pressured on like, "Oh, You're bad at this so I won't be your ally!" or something like "I'm bigger than you that means when I was here you were a noob!" NS stat supremacy is just plain annoying. We run our nation as the local governments managing each store much like state capitalism, but the people are free to make choices and vote for a proposal for the local governments to see, Whichever option gets the most votes will be passed if it is approved and doable.
