Bad Houses, Big Black.

oh baby

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

Республіка Рюрідова - Королівство Вілкія

"For I was hungry and you gave me something to eat; I was thirsty and you gave me something to drink; I was a stranger and you invited me in; I needed clothes and you clothed me; I was sick and you looked after me; I was in prison and you came to visit me... Truly, whatever you did for one of the least of my brothers and sisters, you did for me."

Bah. I'll say entire album of Bolt thrower's Realm of Chaos, so I don't have to say every single song. ☐

Porcupine Tree-Black Dahlia

I was totally just daydreaming about going to a record store, while listening to this, and buying this album along with the Sigur Ros albums and other stuff. And someone at the front desk was saying "There's sales on all the hit pop music" and I just said to them "I don't listen to that shit" when they said that to me. They asked what I listened to, and I went over to things like Porcupine Tree and Sigur Ros.

Yes, my mind daydreams about some weird ass things sometime. If that counts as daydreaming or wishful thinking.
