Since that is endangerment of the lives of others plus consumption of alcohol, it'd probably 20 years in prison if there were people in the plane and 12 if there weren't (still endangering the lives of civilians on the ground).

Defamation of a public official.

The **People's Republic of Hussija** stands as a united **Hussite socialist** country in Central America.

The **Party for Socialism and Salvation** leads this Christian workers' state since 1975.

Defamation has been decriminalized, and it is unlikely a court would find you liable for lying about a public official if you are exercising political speech and/or the ability to criticize said public official is particularly important.

Protesting without a permit or similar government approval if/when it is legally required?

Protest is HIGHLY illegal in some provinces.

Kandarmon: No punishment

Almaned: No punishment

Kistromost: No punishment

Yinshao Province: 25,000 Ridannarva fine.

Kardslight: Death penalty (provinces are allowed to issue death penalties)

Agann da Ron: No punishment

New Moscow State: 1,000,000 fine, no Kardslight payment. (meaning family doesn't pay for you)

Corruption?

Corruption comes in many shapes and forms, and so are the consequences, which vary from mild fines to capital punishment. So yeah, be specific or whatever.

Notin itself a crime, as it is not possible to "steal" the moon - on account of the moon not being owned by any entity (government or private) that is currently capable of reaching it and thus staking a valid claim of ownership. (However if such an action resulted in death/destruction due to resultant changes in gravitational forces acting on the planet, then prosecution for crimes against humanity would occur)

Breeding and then deliberately releasing a Kaiju, or other similar example of mega fauna, into/against a major population centre of a nation other than your own.

Considering breeding mega-fauna isn't possible, we don't have a corresponding punishment.

2 life sentences + all the money of his/her bank account donated to the families of the victims.

As AN has failed to specify a crime for the BN to deal with, I shall provide an
appropriate sentence for their incompetence; forced to experience a 48hr long
loop of Rick Astley.

Crime for the BN:

and deliberate corruption of all backup copies.
