After almost six hours since the final talks began Leona Kiwi and Timothy Kansas left the meeting room and declared the formation of Equaian United Peoples Communist Party.

If it was only a finalization how did it take 6 hours

There was a lot of discussions about the structure of the party as Socialist and Communist Party had different structures so it was a lot of drafting and a lot of ideas how to make the party structure as efficient as it could be

God bless you, President Son Long. You were Korea's best StarCraft player only a decade ago and now you're a President.
