I was born on August 19th, 1994...Wonder if there's anything worthwhile then.

After quick search, the only one released on the day I was born is Fear No More demo released by Harms Way. Might check just for the lulz, they're listed as thrash metal.

Jon Hopkins-Attack

Never seen this movie. Don't even know a single thing about it. Doesn't really seem to be a requirement for me listening to soundtracks sometimes ☐ There's plenty of soundtracks where I listened to the soundtrack first, then watched the movie/played the game (Black Hawk Down, Hanna, ect)

Metal-archives.com > Advanced search > Albums > From [year]/[month] to [year]/[month] > Scroll until you see the day in the results. Not sure where to check non-metal albums released on July 28 1992.

I have a ton of family with birthdays in July. My sisters is the 8th, my cousins is the 12th, another cousin I can't remember, and my great Grandma's is like the 21st...

And thanks
