Nah. Only time I've seen them is on a thread about flags, something like "rate the AN's flag" but I can't remember where.

Hispida is pretty well known all-round. I'd say that they're most likely more well known in General and F7, not sure about the other forums though.

First time seeing them. And it's not like they have a large number of posts outside of F7 either; almost 80% of their posts are here and I have never seen them.

I only see them occasionally, and it seems kind of hard to distinguish them, so only somewhat well known.

I would say they are indisputably well-known. If they have over 1,500 posts, I would expect to see them anywhere.

They only have 10 non-F7 posts and 276 total posts, they're basically unknown.

He seems to be a new user but I see him a good amount. It's also easier to remember them as they're like the only nation on forums that uses Romania's/Chad's flag. I would say somewhat well known for these reasons.

Mexico, but the Aztecs dominate North and Central America.
