Zelda Medley - Lindsey Stirling

Founded: 2480
Current year: 5001
Magic: Non-negotiable
Ponies: Yes, occasionally
Tech levels incompatible? Then kick me out of the thread, because if you RP with me you accept my tech.
Note: Before 2480, Olwe was called Athan. If you see this word in a thread, it's because you mentioned a year incompatible with Olwe in that thread but still made it open to all techs and therefore are allowing Athan's magic.

[All I Want For Christmas Is You](#) - Mariah Carey

It's not too early- It's December, so it's totally acceptable.

This was formerly a signature. One day, it may return to its splendid past. In the meantime, enjoy some pictures of [my cats](#).

My brother does the same. I saw him working on his holiday playlist on Spotify. I never really listen to Christmas music, because it mostly bores me or I'm just like "Meh", though there is the occasional exception. My least favorite part about Christmas is the music. Overall, Christmas is my favorite Holiday.

Viva La Vida- Coldplay

Proud member of The Anti Democracy League and the Coalition of Religious Nations!
Mallorea and Riva should not resign, but gameplay and roleplay should be kept separate
Speaking of roleplay, check out Sunkistodia's Factbook
This is a theocratic nation that uses NS stats and is in the slave trade

Dismember - *Override Of The Overture*

CVT Temp wrote:

I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.
