Re-Hash, Gorillaz

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

^Awesome song here. It's great, even if it could easily feel normal if you heard it in a Dunkin' Donuts or Viagra commercial.
