We're not trying to save face.  
If you want to visit one of the three gulags, just TG us.  
But you should know that we don't throw political dissenters into the gulags - we just don't.

Who doesn't kill those they dislike; but we don't kill people just for  
being political dissenters, we'd be a single-party state  
socialist/capitalist nation if we did that. But anyways, we don't run  
deathcamps.
