One thing I don't know why  
It doesn't even matter how hard you try  
Keep that in mind, I designed this rhyme  
To explain in due time  
All I know  
Time is a valuable thing  
Watch it fly by as the pendulum swings  
Watch it count down to the end of the day  
The clock ticks life away  
It's so unreal  
Didn't look out below

watch the time go out the window  
trying to hold on didnt even know  
i wasted it all just to watch you gooo

You'd be correct! Ryor IX, is in fact, a planet! Note the **a**. I haven't come up with an actual name for the city, because, as evidenced by the planet's name, I am not creative.
