J Breas by Moby.

A nice instrumental, some of his earliest work.

Toadies - Happyface

no no no more, *sonofabitch*

Oddly catchy.

KXM - Rescue Me

Yet another "super group" that does nothing notable. Just a bunch of friends jamming together and they just HAD to put out an album.

everyone knows that quote, "I know not what weapons World War Three will be fought, but World War Four will be fought with sticks and stones," but in a way it's optimistic and inspiring because it suggests that even after destroying civilization and returning to the stone age we'll still be sufficiently globalized and bellicose to have another world war right then and there
