I don't think anyone minds:) There will be a ton of Grails and Mogwai from me for the next week, and you've seen some of the crazy amounts of posting I do of the same artist when I'm going through a new album or whatever.

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the

limitation of righteousness.
