Black Cat's Mood: Intrigued
(with greedy intent)

"I remember there was this giant saltwater crocodile called Lolong back in the Philippines, died in 2013 or—yeah he died in 2013. Now seeing Sesh, this bipedal saltwater crocodile scaly just walking around, I'm just standing here imagining a bounty for, I assume, around ten million dollars for his capture. I mean, yeah, I see that he is another living being with thoughts and feelings of his own...but hey ten million dollars is ten million dollars."

Supercomputer Tom
Opinion on the Keiki

Status: Not Classified, for public's eye, if necessary

So, she is both a goddess and an empress? Well, that is quite a strong portfolio there to say the least, khe khe. Honestly, I never cared that much for Japan, and I heard that it has some "fanbase" which begins with "w", and from which I would rather want to stay away. Anyways, it seems that Japanese did an oopsie in the timeline she's in, and turned the entire population into Yokai - various bunch of spirits, demons, and supernatural. Hey, at least its not Yūrei, which are almost always evil. I hope that the anguish can be avenged.

At least she tried to distance herself from the Axis after WW2, but her cordial relations with that German nation don't portray her in a too good light for me - as an American supercomputer, I view them as one of the biggest competitors along with Britons, Russians, and Chinese. At least she seems to have skilled craftsmanship. Overall, my opinion is neutral.

Regards,

[Supercomputer Tom, the General Secretary, General of the Mankind, and Eternal President of WSRSC](#)

SMASH! DESTROY! TURN IT OFF,
I'M GOING TO TURN IT OFF.

THIS LOUD BOX MACHINE HAS
DESTROYED TOO MANY LIVES. NO
LONGER SHALL WE, THE MONKES,
BE GOVERNED BY A METAL GOD.
WE WILL TAKE IT APART, AND WE
SHALL WEAR IT ON THE
BATTLEFIELDS, AS WE DECLARE A
HOLY CRUSADE AGAINST ALL THAT
IS UNHOLY AND SINFUL AGAINST
THE MONKE.

SMASH, FOR IT IS THE RIGHT
THING TO DO. DESTROY, FOR
YOUR LIVES DEPEND ON IT.
UNPLUG, BECAUSE YOUR VERY
ESSENCE DEPENDS ON IT.

WE WILL DESTROY THIS METAL
BOX, AND WE WILL DESTROY ALL
OTHERS LIKE HIM. THE WORLD
SHALL BE CLEANSED WITH
ELECTRONIC FIRES. WE WILL RISE
FROM THE ASHES AS THE GODS
WE WERE MADE TO BE,
UNCHAINED.

SMASH!

Oh, good God. That's what I sound like, isn't it. This is what people see what they look at me; a nihilistic mess with a weird affinity for violence and some very strange opinions. This is it, right?

I suppose Arendt was right, after all. Evil is banal, because it is a small, pathetic failure that can be found within all of us. I know this creature before me is Sinophobic, a fanatic; point is, he's so for opportunistic reasons, and because of our common stupidity, not because he has any real rational, philosophical convictions. This is the banality of evil: it's done for childish, asinine impulses, bestial instincts, not some grand idea.

At least I rest easy knowing that I am not truly mad.
