The year was 1994, and it would only get bloodier from here.

It is the duty of every citizen of the Principality of Marlenka to be ready to defend one's kin, property, and country from any and all who dare wage war against our people, sovereignty, and way of life. As such, the right and duty of the Marlenki citizen to keep and bear modern, military arms shall be upheld to the highest degree of the law, and any infractions against said right will be treated as treason of the highest degree. - Article I of the Marlenki Constitution.

I helped my cousin capture a mongoose in Hawaii

The Sith Empire is a force of dominance, an authoritarian state forged from militarism, slavery and the dark side of the Force. United under a single Empress, her Dark Council and by the Empire's Wrath, ruled by the Force-sensitive members of the Sith Order and supported by 30 trillions of loyal citizens, the Empire forsakes the freedoms offered by the Republic in favor of strength and order. Aiming to take revenge on the Republic for its exile centuries ago, the Sith Empire will stop at nothing to become the greatest power in the galaxy.
