[Muse-Feeling Good.](#)

Weird Muse video....which isn't unusual. I like the use of the megaphone in the song.

Glad to see this Dubstep violin song is rather dramatically different from the others.

### [Alpinestars-Carbon Kid](#)

Okay, this is weird....I got reminded of this song, that's from one of my favorite racing games, Test Drive Unlimited, from some random band I ran across today that didn't seem that bad. It was one of the few songs in that game I didn't mind. But the weird part is....I looked up who Brian Molko was, and he's in the exact band I was listening to earlier today...Part of my brain must've recognized his singing....I dunno.
