Proud Qatari team. Wants to win a CL. QSI forever! (Posts usually in-character, are satirical, often revolving around Qatari propaganda because Qatar is the best!)

It's kind of unsettling, but aesthetically pleasing, but... I don't know how to describe it.

Could seem like a 1/10 to any bystander, but could also be like a 6/10.

Don't. Just don't

8/10 - Purple on an all black field, and ominous eye motif that is more in line with the symbol of a cult rather than a nation.

8/10, Roman vibes.

Imperial States of Duotona
When good beats evil, the sky's the limit.

A nation peacefully residing within Oceania with a bloody past. Managing to overcome the odds to prevent colonisation, Duotona has had to endure many trials caused by internal pressure. Still in a recovery process from the last dictatorship that it had to endure, the nation has risen from the ashes to become an unexpected nation of interest. **No longer will Duotona face misery.**
