4/10, flag looks a bit like it may belong to a religious theocracy. Those are typically not known for their awesome social tolerance.

Martial but with strong tribal vibes?

VERY vigilant, but not evil at all: tribes are usually of the disposition that doing good begets good.

Eh, flag doesn't seem very evil. Maybe interesting, but not evil. Only the color scheme of black and yellow could signal *any* evil at all.

The logo reminds me of a swastika. (But it's an excellent flag, original and well conceived)

Part of the flag resembles the Sunrise and that's an indicator of goodness. But they're Christian.
