Elton John - Someone Saved My Life Tonight
From *Elton John One Night Only - The Greatest Hits* (2000)

*When I think of those east end lights, muggy nights
The curtains drawn in the little room downstairs
Prima donna lord you really should have been there
Sitting like a princess perched in her electric chair
And it's one more beer
And I don't hear you anymore
We've all gone crazy lately
My friends out there rolling round the basement floor*

*And someone saved my life tonight sugar bear
You almost had your hooks in me, didn't you dear
You nearly had me roped and tied
Altar-bound, hypnotized
Sweet freedom whispered in my ear
You're a butterfly
And butterflies are free to fly
Fly away, high away, bye bye*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Elton John - Original Sin
From *Songs from the West Coast* (2001)

*Oh, it's carnival night and they're stringing the lights around you
Hanging paper angels, painting little devils on the roof
Oh the furnace wind is a flickering of wings about your face
In a cloud of incense yeah, it smells like Heaven in this place*

*I can't eat, can't sleep, still I hunger for you when you look at me
That face, those eyes all the sinful pleasures deep inside*

*Tell me how, you know now, the ways and means of getting in
Underneath my skin, oh you were always my original sin
And tell me why, I shudder inside, every time we begin
This dangerous game, oh you were always my original sin*

Elton John - Candle in the Wind
From *Goodbye Yellow Brick Road* (1973)

*And it seems to me you lived your life
Like a candle in the wind
Never knowing who to cling to
When the rain set in
And I would liked to have known you
But I was just a kid
Your candle burned out long before
Your legend ever did*

Elton John - Nikita
From *Ice on Fire* (1985)

*Hey Nikita is it cold
In your little corner of the world*

Posts: 7188

*You could roll around the globe
And never find a warmer soul to know*

*Oh I saw you by the wall
Ten of your tin soldiers in a row
With eyes that looked like ice on fire
The human heart a captive in the snow*

*Oh Nikita you will never know, anything about my home
I'll never know how good it feels to hold you
Nikita I need you so
Oh Nikita is the other side of any given line in time
Counting ten tin soldiers in a row
Oh no, Nikita you'll never know*

Elton John - Where to Now St. Peter?
From *Tumbleweed Connection* (1970)

*I took myself a blue canoe
And I floated like a leaf
Dazzling, dancing
Half enchanted
In my Merlin sleep*

*Crazy was the feeling
Restless were my eyes
Insane they took the paddles
My arms they paralysed*

*So where to now St. Peter
If it's true I'm in your hands
I may not be a Christian
But I've done all one man can
I understand I'm on the road
Where all that was is gone
So where to now St. Peter
Show me which road I'm on*

U2 - The Fly

From *Vertigo 2005: Live from Chicago* (2005)

It's no secret that a conscience can sometimes be a pest

It's no secret ambition bites the nails of success

Every artist is a cannibal, every poet is a thief

All kill their inspiration and sing about the grief

A man will rise (Love, we shine like a)

A man will fall (Burning star)

From the sheer face of love (We're falling from)

Like a fly from a wall (The sky... tonight)

It's no secret at all

From *PopMart: Live from Mexico City* (1998)

*She feels the ground is giving way
But she thinks we're better off that way
The more you take the less you feel
The less you know the more you believe
The more you have, the more it takes today*

*You got to give it away
(You got to give it away)
You got to give it away
(You got to give it away)
You got to give it away
(You got to give it away)
Well, she don't care what it's worth
She's living like it's the last night on earth
The last night on earth*
