U2 - Electrical Storm

From *The Best of 1990-2000* (2002)

*Car alarm won't let ya back to sleep
You kept awake dreaming someone else's dream
Coffee is cold, but it'll get you through
Compromise, that's nothing new to you*

*Let's see colors that have never been seen
Let's go to places no one else has been*

*You're in my mind all of the time
I know that's not enough
Well if the sky can crack
There must be some way back
To love and only love*

*Electrical storm, electrical storm
Electrical storm, baby don't cry*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

U2 - White as Snow

From *No Line on the Horizon* (2009)

*Where I came from there were no hills at all
The land was flat, the highways straight and wide
My brother and I would drive for hours
Like years instead of days
Our faces as pale as the dirty snow*

*Once I knew there was a love divine
Then came a time I thought it knew me not
Who can forgive forgiveness where forgiveness is not?
Only the lamb as white as snow*

And the water, it was icy

As it washed over me
And the moon shone above me

Elton John - Social Disease
From *Goodbye Yellow Brick Road* (1973)

*My bulldog is barkin' in the backyard
Enough to raise a dead man from his grave
And I can't concentrate on what I'm doing
Disturbance's going to crucify my days*

*And the days they get longer and longer
And the night time is a time of little use
For I just get ugly and older
I get juiced on Mateus and just hang loose*

*And I get bombed for breakfast in the morning
I get bombed for dinner time and tea
I dress in rags, smell a lot, and have a real good time
I'm a genuine example of a social disease*

*Don't go trying some new fashion
Don't change the color of your hair
You always have my unspoken passion
Although I might not seem to care*

*I don't want clever conversation
I never want to work that hard
I just want someone that I can talk to
I want you just the way you are*

Bee Gees - Alone
From *Still Waters* (1997)

*I could hear you breathing with a sigh of the wind
I remember how your body started trembling
Oh, what a night it's been and for the state I'm in
I'm still alone*

*And all the wonders made for the earth
And all the hearts in all creation
Somehow I always end up alone
Always end up alone*

*So I play, I'll wait
'Cause you know that love takes time
We came so far
Just the beat of a lonely heart
And it's mine
And I don't want to be alone*

Elton John - Club at the End of the Street
From *Sleeping with the Past* (1989)

*In this smoky room
There's a jukebox, plays all night
And we can dance real close
Beneath the pulse of a neon light*

*That's where we meet
That's where we meet
Me and you, rendezvous
In the club at the end of the street*

*Ooh where we meet
Ooh where we meet
Me and you, rendezvous
In the club at the end of the street*

Billy Joel - She's Always a Woman
From *The Stranger* (1977)

*She is frequently kind
And she's suddenly cruel
She can do as she pleases
She's nobody's fool
But she can't be convicted
She's earned her degree
And the most she will do
Is throw shadows at you
But she's always a woman to me*

U2 - I'll Go Crazy If I Don't Go Crazy Tonight
From *No Line on the Horizon* (2009)

*Every generation gets a chance to change the world
Pity the nation that won't listen to your boys and girls
'Cause the sweetest melody is the one we haven't heard
Is it true that perfect love drives out all fear?
The right to appear ridiculous is something I hold dear
Oh, but a change of heart comes slow*

*It's not a hill, it's a mountain as you start out the climb
Listen for me, I'll be shouting
Though we're gonna make it all the way to the light
But I know I'll go crazy if I don't go crazy tonight*

*Baby, baby, baby, I know I'm not alone
Baby, baby, baby, I know I'm not alone, hey, hey, hey*

Bob Dylan - Jokerman
From *Infidels* (1983)

*So swiftly the sun sets in the sky
You rise up and say goodbye to no one
Fools rush in where angels fear to tread
Both of their futures, so full of dread, you don't show one
Shedding off one more layer of skin
Keeping one step ahead of the persecutor within*

*Jokerman dance to the nightingale tune
Bird fly high by the light of the moon
Oh, oh, oh, Jokerman*

Toto - Africa
From *Toto IV* (1982)

*The wild dogs cry out in the night
As they grow restless, longing for some solitary company
I know that I must do what's right
As sure as Kilimanjaro rises like Olympus above the Serengeti
I seek to cure what's deep inside, frightened of this thing that I've become*

*It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had*

Sting - Fields of Gold
From *Ten Summoner's Tales* (1993)

*You'll remember me when the west wind moves upon the fields of barley
You'll forget the sun in his jealous sky as we walk in fields of gold
So she took her love for to gaze awhile upon the fields of barley
In his arms she fell as her hair came down among the fields of gold*

*Will you stay with me, will you be my love among the fields of barley?
We'll forget the sun in his jealous sky as we lie in fields of gold
See the west wind move like a lover so upon the fields of barley
Feel her body rise when you kiss her mouth among the fields of gold*

5 Seconds of Summer - Amnesia
From *5 Seconds of Summer* (2014)

*I remember the day you told me you were leaving
I remember the make-up running down your face
And the dreams you left behind you didn't need them
Like every single wish we ever made
I wish that I could wake up with amnesia
And forget about the stupid little things
Like the way it felt to fall asleep next to you
And the memories I never can escape*

'Cause I'm not fine at all
