Children of Bodom - *"Morrigan"*

Melodic Death Metal from the up and coming album "I Worship Chaos"

Not a bad track at all, but nothing too special though. There are going to be much better releases for me to look out for, like "The Ride Majestic" by Soilwork, which sounds very promising after I heard the title track.

The Chain - Fleetwood Mac

Call me Sham

"Governments may think and say as they like, but force cannot be eliminated, and it is the only real and unanswerable power. We are told that the pen is mightier than the sword, but I know which of these weapons I would choose." Sir Adrian Paul Ghislain Carton de Wiart VC, KBE, CB, CMG, DSO.

Nationalism is an infantile disease, it is the measles of humanity.

Dark Tranquillity - "Achetype"

The infamous song from the EP "Enter Suicidal Angels" (1996)

I believe that they must have been high when they made this song.
None the less it is still fun to listen to.
