Chelsea Wolfe-Flatlands

Okay, there's this dark folk album I have left, I guess, so not completely done with folk.

my little airport - □□□□□□□□

I love how their name and the names of all their songs and albums are in lowercase letters...

I don't know why, but it just seems really nice. Their songs are all really sweet and nice too, even though they deal with things like depression and those kinds of things.
