It's fucking beautiful.

Everything is fucking beautiful. I love you all!

In other words — and this is the rock solid principle on which the whole of the Corporation's Galaxy-wide success is founded — their fundamental design flaws are completely hidden by their superficial design flaws.

wouldn't it be nice, the beach boys

yeeeeeeeeaaaaaaaaa

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
